Davis's PA Exam Review: Focused Review For The PANCE And PANRE

Synopsis

Pass your PANCE and PANRE exams... guaranteed.* Divided into two sections, Essentials and Performance, this text provides you with exam-style questions, complete with rationales for correct and incorrect answers and simulated exams so you can practice. The 2nd Edition now features even more questions in the book and on the Mac/PC Compatible CD-ROM. Here is what practicing PAs and students have to say about the 1st Edition...
"It is an invaluable asset for anyone who is trying to get ready for the PANCE."
"Abraham B., PA-S, University of Mexico, Albuquerque, NM
"A far more enjoyable way of studying...almost like a game!"
"Tamar D., PA-S, Barry University, Saint Petersburg, FL
"Enables students of all learning styles to thoroughly prepare for the PANCE and PANRE. Its performance test and answer explanations are encouraging rather than scolding, which allow the reader not only to build both confidence and momentum, but to also enjoy studying."
"Megan R., PA-C
*Money-Back Guarantee
Money-Back Guarantee
If you are a graduate of a Physician Assistant program accredited in the United States, take the PANCE or PANRE examination for the first time, and do not pass after using Davis's PA Exam Review: Comprehensive Guide to the PANCE and PANRE, you may request a full refund for your purchase. To receive a full refund, return the book, the accompanying CD-ROM, original receipt, a copy of both your official test results notification and your certificate of graduation to the address below.

Customer Reviews

april 2013 I am currently a PA student in the middle of the didactic year and an admitted MEDIOCRE test taker. I believe test taking is a SKILL which can be improved upon. Looking for ways to improve, I sought out various PANCE REVIEWS, like Kaplan and Princeton to improve my test-taking strategies (a pre-requisite in PA school where testing is de rigueur) as well as preparation for the PANCE. Searching for something more, I found out a classmate was using the Davis PA Exam Review now in its 2nd Ed. After further review, my advice is simply-PUT IT AT THE TOP of your list. Did I just yell?? This book is an absolute GEM. I have used other reviews and NONE COMPARE to the unique learning system in this book. The Davis Review takes a multi-dimensional approach to thinking about and MASTERING the concepts the PANCE tests. Most books use outdated, recycled questions- not good. In Davis's book, you actually GET INSIDE THE MIND of a former TEST WRITER FOR PANCE. Did I forget to mention the author, Dr. Diamond, was on the PANCE test-writing committee and personally crafted questions for the PANCE? The book has two parts which make it different. The ESSENTIALS section contains question and answers which LINK all clinical physiological systems seamlessly by providing more than one correct answer to a particular question. The format serves as a REVIEW of material and gets you thinking as a CLINICIAN would in practice. In the appendix, these key SUMMARIES are revisited in detail and represent material most likely tested by the PANCE. After gaining a better understanding of concept and questions, you can head to the PERFORMANCE section and test yourself.
