The Security And Defence Policy In The European Union

Synopsis

This major new text by a leading authority on European security provides a full assessment of the historical, political and systemic reasons behind the rise of the European Security and Defence Policy (ESDP). The author argues that the key issues involved - the challenges of defining a more balanced partnership between the two sides of the Atlantic and of transforming the EU from a civilian power into a new type of crisis management actor - are the most significant since the creation of NATO and the EU at the end of World War 2.

Book Information

Paperback: 336 pages

Publisher: Palgrave Macmillan; 1st edition (June 15, 2007)

Language: English

ISBN-10: 033363912X

ISBN-13: 978-0333639122

Product Dimensions: 5 x 1 x 9 inches
