No Bull Review - For Use With The AP US History Exam And SAT Subject Test

Synopsis

UPDATED FOR 2017! No Bull...This is a concise and to the point way to help you review for AP U.S. History and the SAT Subject Test. Your review book shouldn't need a review book, and that's why we're here. The book contains definitions and explanations of the most important terms, concepts, and themes in the U.S. History curriculum. It contains 240 multiple choice questions for the SAT Subject Test, PLUS each chapter has a set of document-style multiple choice questions for the new AP Test. PLUS new thematic timelines. In addition, there are 23 practice AP short answer questions, 10 sample long essay questions, and concrete examples of how to use the important AP US Historical Thinking Skills! All of this, and an incredible review sheet that follows the entire book while highlighting important terms, amendments, court cases, and more! The No Bull Review is a great study-aid whether you are purchasing it for history class in September, or hours before the big exam.

Customer Reviews

I have read many many different review books and have tried to use them to prepare myself for the AP US History Test. However, I often felt that all the review books were as long as the textbooks and filled with a bunch of useless information. To avoid this I purchased the "No Bull Review" and am grateful to have found it. The "No Bull Review" , is the ONLY review book out there that will get straight to the point. Here are some great aspects of the book:1. Cheap - \$5.99 for a review book?

Compare that with \$16.99 for the Princeton Review. Don't mistake the low price for low quality. Even if this book suddenly became more expensive than the Princeton Review, I would still recommend it.2. Short - This review book has everything you need to get a 5, but it is not fluffed up. The best word to describe it is "concise." The book on my Kindle Fire It gets straight to the point and is specifically geared for the AP Exam. This book seriously consists of "no bull". A quick read will only take two to three days.3. Simple - This noble review book (pun intended) is one of the only few review books out there that is not excessively ornated with higher level language to impress readers. In a conversational tone that keeps you interested, the book is easily readable and does not require a dictionary.4. Navigable - The No Bull Review Sheet included in this book will almost guarantee you a 4 or 5 on the AP Test, that is if you study it. Furthermore, the No Bull Review Sheet (as an e-book)requires almost no time flipping pages back and forth for questions and answers. With this navigable book, you can review the whole curriculum within two to three days.5.
