We can only see a little tiny piece of our life at a time, but our Heavenly Father sees ALL of it, all put together" - Devotion 3, Pieces of His Plan "Jenna's written words will surely bring healing and touch hearts, as they reach with the love of Jesus. Thank you, Jenna, for your wonderful book." -Bruce Marchiano Actor, Best-Selling Author, Producer, and Founder of Marchiano Ministries

I cannot say enough wonderful things about this devotional! It is definitely intended for very young children. The author speaks simply and from the heart, and children with cancer or other difficult health issues can really identify with the "author" of each devotion. They could be real kids--with real fears, real disappointments, and real hopes. Which is sure to give kids in similar situations

(and the adults love them love them) a real reminder that God is always with them! The scriptural content was varied & easy to understand, and is a great reference tool for anyone whose worries need reassuring.(I was honored to receive a copy of this book from the author in exchange for my honest review.)

What a blessing! An encouragement for any child facing an uncertain future battling cancer. The love of Christ is shown throughout the book. A wonderful way to open up a conversation with children about their fears, their futures, and their Lord. I would recommend this for anyone who knows a child battling cancer.

Such a great book for children. Wonderfully written! Can't wait to read more from Ms. Bennett. She has a talent for reaching out to children and engaging them with her gift of writing.Blessings,Jean Davis and Amanda Gregory

My Walk with JesusA wonderful devotional for Children facing cancer! There are 31 devotions that are to help encourage those with cancer and how Jesus has them in His hand. He loves them and cares for them, through this hard time. Also children facing other health conditions. Great book that is very encouraging! Awesome illustrations!!

My Walk With Jesus Devotional Bible is a tremendous book for children and adults. The way each devotion is told by a child talking as if to a new friend makes each page so personal. Their talks are so innocent, yet so real. The pictures of the children and their pets or objects are adorable. Kids will relate to that. One can never say enough about God's and Jesus' love for each of us, and Jenna emphasizes that continuously, which is good. I'm sure this book will reinforce to children (and adults) that they are never alone, I and that they are always being held in Jesus' loving arms.

I gave this book a 5 star rating. It was a gift to me. It is beautifully illustrated and a very inspirational book. I love reading each child's story and how Jesus loves them so!!!. People of all ages will enjoy the devotions. It is a great reminder of how God works in our lives. God has blessed Jenna Sue Bennett and I look forward to reading her future books.

I thought it was very well written, and a lovely concept. I hope that it helps not only children, but their families as well. Great job, Jenna!

Such an amazing book! It will be a blessing to all who read it!
