## Customer Reviews

I purchased 3 different commentaries of the Narada Bhakti Sutras. However, this comentary by Swami Prabhupad stands out as the most enlightening for me. The other two started out quite nicely but eventually they let "non-dual" opinions sneak in - as soon as I felt this happening I could not read any further. The Vaishnava view is rich with very deep & illuminating instruction if you open yourself to it.

Excellent and most authentic explanations based on the writings of the great Vaishnava teacher Srila Prabhupada, Founder Acharya of ISKCON. I read this book regularly to help me concentrate on chanting the holy names of God.
