Customer Reviews

This is a small book with a large purpose. If any one were to ask me about Buber's thought, I would suggest he read this little book before moving on he moves on, then to a general book moving on to the expansive biography, Friedman's Martin Buber the Life of Dialogue. The book was in excellent condition and promptly delivered.

El libro llegÃ en el tiempo estimado Producto en muy buen estado, No hay queja alguna o reclamo, todo en orden Recomendando al vendedor
