Man Of The World: The Further Endeavors Of Bill Clinton

Synopsis

â€œEngrossing...detailed and intimate.â€• â€”Publishers Weekly â€œAbsorbingâ€• â€”Kirkus Reviews
Veteran political journalist Joe Conason brings you along with Bill Clinton, as the forty-second president blazes new paths in his post-presidential career. It is unlike the second career of any other president: â€œBill Clintonâ€• is a global brand, rising from the dark days of his White House departure to become one of the most popular names in the world. Conason describes how that happened, examining Clintonâ€™s achievements, his failures, his motivations, and his civilian life. He explains why Clintonâ€™s ambitions for the world continue to inspire (and infuriate). Conason, who has covered Clinton for twenty years, interviewed him many times for this bookâ€”as well as Hillary and Chelsea and many of his friends, aides, rivals, and supporters. He has travelled with Clinton to Africa, Haiti, Israel, and across America. Clinton has earned tens of millions of dollars and raised billions for philanthropy, much of it from foreign sources, provoking questions about transparency and probity even as Hillary Clinton runs again for the presidency. Conason closely examines the financial support from other countries, corporations, and wealthy individuals, while assessing the Clinton Foundationâ€™s very real, far reaching achievements. He observes Clinton campaigning for his wife and asks: How would Americaâ€™s very first First Gentleman fare in a Hillary Clinton White House? *Man of the World*â€”starring the one and only Bill Clintonâ€”tells the engrossing story of an extraordinary man who is still seeking to do good in the world.

a well researched well written take on Bill Clinton he is not a man but a force of nature. the media still hates him and his wife. Anrhyon Lewis had it right, "pure animal jealousy." he done real good.

I read the book hoping that Ole Slick would come clean about raping Juanita Broderick, all the coke he sucked up his big bulbous nose, oral sex in the Oval Office with a 20 yr old intern, how he acquired gonorrhea and syphilis, selling our most secret weapons technology to the Chinese Commies for campaign cash, how Jack Nicklaus pledged never to play golf with Bubba b/c Bubba wouldn't stop cheating (improving his lies etc...) etc...but I was disappointed that none of that was covered in the book. Will have to wait for "Man of the World Part 2" I guess...

Still roaming free.
