Customer Reviews

Room for improvement. Would like more sets added to the guide. Missing many sets from the major brands. A little hard to locate some of the listings. Didn't always understand the logic of how the listings were sorted.

Have baseball cards? Want to know about how much there worth? Well here you go, has most everything in it except a couple things I could not find. I wish the whole thing was organized by year first rather than set name, it would make things much easier for me. I'm a very lapsed collector of cards so this was fun to look up things I remember from the past.

Beckett monthly has always been my son's and my go to baseball card guide,they give us the true worth of our cards!

Would rather have it thicker and with a type size large enough to read. Oh, by the way my corrected vision is 20/20 even at 76.

It was great for what it covered. I was hoping it would cover more.

Fast shipping! A+++
