## Customer Reviews

This dictionary is simple and clear. It is more simple and easy to use than the Webster or the Collins

but it also has complete definitions that really helps you understanding what you are reading. It is not a confusing or "erudite" dictionary (as The Heritage or the Oxford). I am very pleased with this dictionary and I recommend it.

Bought it for my wife. She has a ESL class in collage. She likes it but says it kind of hard to use it for her right now. As for me I think it overpriced but love it. I'll take a book over e-book any day.

I like that that definitions are very easy to understand.

We use Longman dictionaries at the school where I teach. The definitions are very good. They use a vocabulary that is not at all "dumbed down" but yet is simple enough to use with English learners.

Very useful and clear! one of the best dictionary I've ever have! As an English student, it is very good tool to learn.

This is a super-excellent dictionary. It is one of the best dictionaries I have ever used. I absolutely love it!! It has easy definitions and contains derivations as well.

This dictionary has very clear definitions that actually impart concepts of the words defined. Excellent dictionary!

It's not like a new one, There are a lot of scratches on the coverÃ¢Â€Â“ This makes me feel unhappyÃ¢Â€Â•
