## Synopsis

REA's Crash Course for the AP<sup>®</sup> Human Geography Exam - Gets You a Higher Advanced Placement<sup>®</sup> Score in Less Time

Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement<sup>®</sup> Human Geography exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP<sup>®</sup> Human Geography is just what you need. Our Crash Course gives you:

- Targeted, Focused Review - Study Only What You Need to Know

The Crash Course is based on an in-depth analysis of the AP<sup>®</sup> Human Geography course description outline and actual AP<sup>®</sup> test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Our easy-to-read format gives you a crash course in:

- models in AP<sup>®</sup> human geography, political geography, population, cultural patterns and processes, agriculture and rural land use, industrialization, economic development, and more.

Expert Test-taking Strategies

Our experienced AP<sup>®</sup> Human Geography teacher shares detailed question-level strategies and explains the best way to answer the multiple-choice and free-response questions you'll encounter on test day. By following our expert tips and advice, you can boost your overall point score!

Take REA's FREE Practice Exam

After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our free practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP<sup>®</sup> exam, so you know you're studying the smart way.

Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the study guide every AP<sup>®</sup> Human Geography student must have.

When it's crucial crunch time and your Advanced Placement<sup>®</sup> exam is just around the corner, you need REA's Crash Course for AP<sup>®</sup> Human Geography!

## Customer Reviews

This is great-It opens with a great overview of the AP test, then gives exact info about what to study and how to study...i really liked the second chapter, it gives all the key models and definitions. Also lots of great tests posted online for practice. My teacher told us to buy this because she likes the format. I agree.

I bought this for my son on the recommendation of his teacher. He is a sophomore and this is his first AP class. He is using this book after reading the textbook to help him figure out what he should be taking notes on, and he thinks it is helpful. Whether the book helps in the class and on the exam remains to be determined, but it's giving him a reason to look at the material a second time in a thoughtful way.

With only about a month of studying for the AP exam with this book and another, more detailed book, I was scored a four on the exam.NOTE: this book is merely a brief compendium and supplementation of what an AP course would cover. - It helps define the different models, etc. It saved my butt on numerous occasions.I suggest it.

It is incredibly useful and organized. All chapters are included, and it is smaller than the average review book. The text is made of important facts from the chapter, including vocabulary. Overall, this review book is everything you would want it to be.

This helped our son study for the test. There were subjects covered and questions answered in this book that weren't covered in his text book. It's a good supplement to use.

My daughter is about to take the AP exam for this course. Out of all of the study guides she says

this one has been the best.

This will come in very handy--I will be teaching this course for the first time next school year. I'm teaching myself the course now using the text book-this will help me by having a second source!

I bought this for a 10th grader, and she loved it. She said that it really helped prepare her for her AP test. She even requested that we buy them again this year for her classes
