Synopsis

In 1958 the Foreign Languages Press translated, edited and published an English version of Mao Zedong Poems (19 poems). In the early 1960s, it again organized scholars and translators to translate more of Mao Zedong's poems into English, and in 1976 a new edition of Mao Zedong Poems (39 poems) in English was published in five different sizes and with differently designed covers. This edition is the authoritative one so far. At the request of readers, a Chinese-English version of Mao Zedong Poems (39 poems) is to be compiled and published.
